### ASWA MISSION STATEMENT

“The mission of the American Society of Women Accountants shall be to enable women in all accounting and related fields to achieve their full personal, professional and economic potential and to contribute to the future development of their profession”

## Presentation Overview

As Weaver and Tidwell's leading expert on the new Texas Margin Tax, Adam will teach us the latest developments in the legislation. After having prepared countless projections for many clients, he will guide us thru the many details for most industries. He will answer questions such as:

What do you mean, "unitary"?

I thought it was statutory...Can the Comptroller really do that?

What exactly makes up Cost of Goods Sold for the new margin tax?

Is it distributive or distributed income?

How do we extend this mess to November?
